## Note

- Please note that lectures will be offered in English on ZOOM. Participants are required to participate diligently in all lectures and programs.
- You will get an online application link from KNU after you have been nominated by your home university.
- After checking the participants' camera status and basic English skills on the online Zoom platform, each person's participation will be decided. It's a very simple interview for one or two minutes per individual, not a test or serious interview.
- Please apply for a 'Culture Day' presentation if you want to introduce your country or show your talent.
